

**This letter written in late 2023 in jail FDC Miami and put in
the hand of President Trump!
(Please share with many and resend to him on my behalf, Bishop Mark
S. Grenon)**

December 2023

Dear Mr. President,

I am writing you this letter from the Federal Detention Center in Miami right across from the courthouse you were in last year. My three sons and I have been incarcerated, but we say kidnapped and held as Political Prisoners by the DOJ for over 1500 days without bail, without a victim, without intent to harm any man or woman (Mens Rea) and without a valid claim against us! Our story is although tragic for us and our family is also a miraculous one. There is so much to this story so please bear with me as I give you an overview. America and the world need to hear what has happened to us and what we were doing to receive such a vicious attack. I know you know about being attacked unjustly.

I have written three books titled; "Imagine A World Without DIS-SEASE" by Mark S. Grenon They are being printed here: www.printshopcentral.com/bookstore due to Amazon taking off there sites and told me NEVER to publish with them again!

We have done two Documentaries as well:

* www.theuniversalantidote.com (2020) -

<https://ntrs.nasa.gov/api/citations/20020086718/downloads/20020086718.pdf>

* On Rumble.com: "The Universal Remedy That Drug Companies Hate". (Republished by G. Edward Griffith there recently because it was taken down in other locations:

<https://rumble.com/vm8dkf-chlorine-dioxide-the-universal-remedy-that-drug-companies-hate.html>

* Also, A movie about us and what we were doing worldwide was recently done and here is the trailer: <https://rumble.com/v5efrdd-just-three-drops-the-strange-story-of-mms.html>

I have been a missionary preaching the Gospel of the Lord Jesus Christ with my wife and 8 children in Massachusetts, Nigeria, West Africa, Dominican Republic, Haiti and recently Colombia were one of my sons and I were arrested, (kidnapped). Neither I nor my three sons have any criminal record whatsoever, not even a parking ticket! In 2007, I came across a natural remedy called, "Miracle Mineral Supplement" or MMS (sodium chlorite), one of two components needed to produce "Chlorine Dioxide" which was discovered by Sir Humphrey Davies, a chemist from England in 1814. I used it to cure my myself and all my 8 children of MRSA, a horrible flesh-eating bacteria that has killed and maimed millions around the world. The pharmaceutical/medical industries said, "There is NO known cure", yet I saw it cure me in two weeks after years of suffering as well as my children with 6 months.

When my 8 children and I contracted MRSA, I had been working with medical teams throughout the Dominican Republic for 10 years and none of the "latest and

greatest" pharmaceutical drugs affected it. I started searching the internet to find a "natural non-toxic" cure and found a book written by a man named Jim Humble called, "The Miracle Mineral of the 21st Century". I purchased the book and bought the two products and it worked like he said it would fast. Jim went to Africa in 2000 after discovering Chlorine Dioxide cured Malaria, the #1 killer in the history of the world, in 1 day for pennies. Malaria kills yearly 1.5-2 million people with half being children under 5! He also wrote about having great success with diabetes, aids, cancers, all infections, intestinal issues, insect bites as well as other illnesses and of course, MRSA. It was like a CUREALL! After having MRSA cured in my body I decided to lay aside all drugs that I was using among the people in the hills of Dominican Republic in our ministries and try exclusively Chlorine Dioxide to see what would happen. It was a private human study not done in a lab setting but in the hills of Dominican Republic with standardized protocols and receiving consistent results! To my very pleasant surprise, I started seeing the illnesses Jim was having success with in Africa happening in the Dominican Republic and Haiti, even other illnesses like Dengue Fever which Jim hadn't dealt with in Africa.

I excitedly started corresponding with Jim for the next two years sharing our successes against all types of illnesses. By February of 2010, Jim moved to the D.R.! Our plan was to develop protocols of how to use Chlorine Dioxide and teach them to the world by seminars and online courses so people could practice SELFCARE and take control of their health themselves without toxic drugs. We worked day and night developing a syllabus to teach and invited people from around the world from Jim's mailing list from the sales of his book. We wanted to start an organization that ANYONE could be a part of and learn the protocols. We decided to start a "Health Church" and we called it, "The Genesis II Church of Health and Healing". Everyone was welcome no matter what their spiritual belief because this was about health and not doctrine! We also knew that in most countries we were separate from the Government and had Rights that they could NOT infringe upon like freedom of religion and the practice of one's beliefs. We didn't need ANY Government's permission as long as no man or woman was harmed. We had many clinical studies as well as what we were seeing ourselves confirming that Chlorine Dioxide was "safe and effective" in mice, rats and humans in much higher quantities than what we were using in our protocols. Chlorine Dioxide has been used for many years worldwide in water purification, cleaning of hospitals and gymnasiums, the washing of fruits and vegetables, meat packing plants while packaging and didn't have to be washed off because it is non-toxic and turns to sodium i.e. "salt". It was also used to kill anthrax and black mold after the Karina Hurricane. There are 1,000's patents worldwide for many uses and many were for medical applications. NASA called it, "a universal antidote" hence; the name of the documentary I listed above. It has all the evidence needed to vindicate my sons and me 100%! In fact, the country of Bolivia made it a LAW to use Chlorine Dioxide to treat Covid and passed it out door to door. I met men in jail with me that received it in Bolivia. At this time, there are over 7,000 doctors in 30+ countries using Chlorine Dioxide to treat Covid and MANY OTHER ILLNESSES, Praise God! The movement has grown to millions worldwide while we are in jail! You see "they", the evil players in this world, are trying to silence us but God wants men and woman to be free physically and spiritually!

In April of 2010, we had our 1st seminar of the G2Church 35 people from 15 countries showed up for the 10 day seminar in the mountains of the Dom.Rep. All had testimonies of "health restored" from an illness they had or family and friends. Many had multiple testimonies to share with us! All this from a book teaching how to make Chlorine Dioxide in the home or purchase online somewhere in the world. Our 2nd seminar we had 45 people from 20 countries! In 2 1/2 years we did 19 seminars in the D.R. and had 60 countries represented with people trained as "Health Ministers". At the time of our arrest (kidnapping) in August of 2020, we had 3500+ Members with 2008 health ministers in 135 countries! You see why "they" are trying to SILENCE us? We helped Jim write two more books about Chlorine Dioxide and perfected the protocols even more. I wrote three books of the activities of the Genesis II Church around the world as well as the persecutions we were experiencing. We did 63 G2Church Health Seminars in 19 countries from 2010-2020. Most of them my sons and I did because Jim was now in his 80's. Jim passed away last September 2023. What a Great humanitarian he was! We really enjoyed the times we had with him and he loved to hear the testimonies.

Our Church believes that ALL men have the God-Given right **to choose** what goes into their body without any inference from any man or Government. Also, we have a Biblical mandate from God in the Scriptures to "not defile our bodies but keep them clean" in I Corinthians 3:16-17. Our Mission Statement states First, "to love the Lord God with all our heart, mind, soul and strength" and Secondly, "To love our neighbor as ourselves", in Matthew 22:25-40. That was all we were doing to try to love God and others as best as we could among "our neighbors" and teach them how to live a healthy life so they can enjoy this life with their families and to love God! That is what we are guilty of Mr. President.

Since 2010 when we did our first of many studies in Africa treating Malaria, 15 million plus children younger than 5 yrs. old are dead due to the "powers that be" silencing the message that Chlorine Dioxide cures Malaria 100% of the time with blood tests before and after confirming it in less than 1 DAY! To stop that message from getting out is a crime against humanity, Mr. President. And all the millions that died of Corona/Covid-19 is as well. It is also a CRIME AGAINST GOD! We could have STOPPED THE PANDEMIC! Those involved on any level need to be held accountable, Mr. President. Our message needs to be published to the ends of the earth as the Gospel of our Lord Jesus Christ! Please help share this with the world, Mr. President. I have much more to say that is written in my books, Jim's books and the documentaries and now a movie. I will stop here to not make this letter too long. I think you get the gist, Mr. President

Here is a partial list of the Constitutional and Unlawful VIOLATIONS that have been committed against my sons and me by the DOJ and FDA. I think you would like to see some to confirm even more what you are experiencing yourself, that how the DOJ, FDA as well as other agencies are VERY corrupt and need to be held accountable.

***Our 1st Amendment Right to establish a Church was VIOLATED.**

***Our 1st Amendment Right to freely exercise and practice the beliefs of our Church was VIOLATED.**

***Our 1st Amendment Right to freedom of speech VIOLATED.**

*Charging us with "Contempt of Court" when the court had NO jurisdiction over a Church. I did answer the court 9 times which means I presented us in the form of a letter to which they responded to confirm they received my answer in detail!

* The charge against us and our Church was created by the FDA, NOT a Law! ("All codes, rules, and regulations are Unconstitutional and lacking due process", **Rodrigues v. Ray Donovan 1985** Supreme Court decision

("Common law is the real law, the Supreme law of the land, the codes, rules, regulations, policy and statutes are not law". **Self v. Rhay**) Supreme Court decision

"A law that is repugnant to the Constitution is void", **Marbury v. Madison**

***No Victims**

***No Valid Claim** by any man or woman of being harmed was brought forth after constantly being requested.

***No Intent to harm** any man or woman proven.(Mens Rea)

There was no bail and no proof that we were doing anything that was a danger to society at all. Chlorine Dioxide is sold at Wal-Mart to be put in your mouth! It is sold on Amazon and many places throughout the world. Many clinical studies showing it is "safe and effective" for humans and animals. I sent the prosecution and the court all this information. There was NO proof that we were a flight risk because we were always present at the Church locations when any official came. I even gave the U.S. Marshalls at the Colombian Embassy my phone number and address!

*We asked the Judge numerous time to produce her "Oath or Affirmation" to support the Constitution and she not only refused by wouldn't answer us! We can't find her oath or affirmation anywhere. Is she a legitimate judge without that "Oath or Affirmation" required by Article 6 of the US. Constitution?

***"Defamation of Character under Color of Law"** was committed against us. It is a "code" that DOES apply to "persons acting under color of law within the meaning of this statute include police officers, prisons guards and other law enforcement officials, as well as judges. TITLE 18, U.S.C., SECTION 242

*Committed "**Conspiracy against Rights**" TITLE 18, U.S.C. SECTION 142 (This Code applies to judges also and is treasonous)

***4th Amendment Violation** against us to be "secure on our persons, papers, houses, and effects against unreasonable searches and seizures" and there is no Law to justify raiding a Church. They took "protected" Church membership lists as well. and all my books.

* **7th Amendment** "Trial by Jury" under common law denied. Common law demands a valid claim of harm done to another man or woman. The Government is NOT a man or woman.

***Our Indictment was NOT given to us for 9 months.** It supposes to be given to us by 70 days according to the Law.

*Motions were accepted by Judge then taken off the Public Record! What are they trying to hide?

***No Exculpatory evidence presented** by Prosecution.

* Local Sheriff did NOT defend us from the Govt. harassment although we asked 6 weeks before the arrest of my two sons in Florida.

*The Prosecution and Judge said repeatedly and even told the jury that the 1st Amendment did NOT apply to this case!

The Prosecution told the court we were NOT a legitimate Church. Although we were under IRS code 508 as a "free church" and had EIN # registered with the Govt. and a Bank account under the name of our Church.

Mr. President there is so many more violations too numerous to mention here. Just what I mentioned is sufficient to dismiss our case and vindicate us, don't you think?

Please pray for us Mr. President and share with others our story. May God help all of us?

Sincerely,

Mark S. Grenon

P.S. Men here want Pres. Trump back!
